MILFORD SOUND

Journey with us...

🕒 2 - 2hrs 15mins duration

From majestic Mitre Peak out to the Tasman Sea, join us for a leisurely extended cruise of Milford Sound and see for yourself why it's renowned as the eighth wonder of the world.

Real Journeys is a family business founded in Fiordland in the 1950's. From humble beginnings to today, our ambition and purpose remains the same –to share our love for the backyard we call home, to provide incredible experiences to those that visit it and to conserve its natural beauty for the generations to come.

Milford Sound is home to towering cliffs and peaks. The iconic Mitre Peak stands tall and proud, rising more than a kilometre straight out of the sea. Waterfalls cascade into the fiord and rainforest clings to sheer rock faces. The fiord is also home to an abundance of wildlife so keep your eyes open for Bottlenose dolphin, New Zealand fur seals, Fiordland Crested and Little Blue penguins. On rare occasions you may even spot a Humpback whale.

You can travel to Milford Sound in our purpose built, luxurious glass roofed coaches or for a different perspective, you can take a scenic flight from Queenstown.

Once in Milford, we offer a range of experiences so you can choose the one that best suits you. Take a journey with us and see what makes this part of the world so inspirational.
