MILFORD MARINER

WELCOME

Let us introduce you to this
stunning wilderness we call home,
Milford and Doubtful Sounds...

Wake up to stunning
surroundings at the heart
of Te Wāhipounamu
World Heritage Area.

In Māori legend, the fiords were
created not by rivers of ice, but by
Tu Te Raki Whanoa, a godly figure
who came wielding a magical adze
uttering incantations.

Whatever the mood of the fiords,
teeming with rain or with sun
glistening on deep water, this place
will inspire you.

Conservation

Protect. Sustain. Grow.

"Today I am more convinced than ever before that conservation is the real cornerstone of New Zealand's tourism industry."

LES HUTCHINS, FOUNDER OF REAL JOURNEYS

Real Journeys works closely with the Department of Conservation (DOC) on a range of projects. This year, to help our native birds, we began laying traps for a \$500,000 programme to remove predators from Cooper Island, the third largest island in Dusky Sound, Fiordland.

Other projects include coastal clean-up programmes in Fiordland and Stewart Island and an annual fundraising 'Birds of a Feather' Conservation Ball (100% of proceeds from all ticket sales and auctions are donated). We assist with the protection of the kākāpō, whio, kiwi and various penguin species.
