

# Big city lights in the depths of the underground

Just you, your guide, and hundreds of tiny glowing insects. Learn about this labyrinth of subterranean passages and how it was formed while being entertained by the glowworms' glittering display. Don't miss out on this adventure to remember!

## Te Anau Glowworm Caves

Begin your journey with a panoramic cruise across Lake Te Anau, landing you at the mouth of amazing underground limestone passages, featuring whirlpools and a roaring underground waterfall. At the entry to the caves at Cavern House, view the informative displays and learn about this geological wonder before you join your guide underground. Once inside, deep within the cave and beyond the roar of the water, you will be taken by small boat into a silent hidden grotto inhabited by hundreds of glowworms, unique to New Zealand.
