Shotover River Whitewater Rafting

Grade 3-5 rapids

Soak up the thrills and wake up the senses when you raft down the adrenaline-pumping Shotover River.

For those who want to test their limits, take an unforgettable drive through Skippers Canyon before facing back-to-back rapids with our expert guides. Complete the journey by navigating through a 170m tunnel and plunging down Cascade Falls.

Kawarau River Whitewater Rafting

Grade 2-3 rapids

Take on nature with our expert guides, as you raft the playful Kawarau River.

A beginner-friendly experience, start by floating past dramatic scenery and gold mining history. Don't get too distracted by your surroundings though, soon you'll be hurtling down rapids including the 400m 'Dogleg' (grade 4 in high water) - NZ's longest commercially rafted rapid!
